Loan Interest Rate & Fees

Your interest rate will be:

6.25%

Your rate will remain fixed for the term of the loan.

Your Interest Rate during the life of the loan

Your rate is fixed. This means that your rate will remain constant over the term of your loan. For more information on this rate, see the *Reference Notes* section of this form.

Loan Fees

- **Application or Origination fees:** You will not pay any application or origination fees for this loan. Refer to your loan agreement for information about other fees that may apply.
- **Late Payment Charges:** College Foundation, Inc. does not currently charge a fee for late payments, but reserves the right to charge a late fee to the extent permitted by State Law if any payment is received fifteen (15) days or more after its due date. Such fee (based on the monthly payment amount) will not exceed the maximum rate permitted by State Law or \$5.00, whichever is less.
- **Return Payment Charges:** College Foundation, Inc. does not currently charge a fee for a returned payment, but reserves the right to charge a fee to the extent permitted by State Law or \$5.00, whichever is less.

Loan Cost Example

The total amount you will pay for this loan will vary depending upon when you start to repay it and whether the loan is multiply disbursed. This example provides an estimate based upon a single disbursement. Payments for this loan may not be deferred.

Repayment Option	Amount Provided (amount provided directly to the school)	Interest Rate (highest possible starting rate)	Loan Term (how long you have to pay off the loan)	Total Paid over 10 years
MAKE FULL PAYMENTS This is the standard repayment option for your loan. Repayment begins when your loan is fully disbursed. There are no other repayment options available for this loan.	\$10,000	6.25%	10-year (120 months) repayment period starting after the loan is fully disbursed	\$13,473.61

About this example

The Loan Cost Example assumes a \$10,000 loan with a single disbursement, a fixed rate of 6.25%, and payments made on time beginning one month following the final disbursement. Interest begins to accrue from the date of the first disbursement. Any unpaid interest accrued at the time of the final disbursement will be capitalized (added to the loan balance) on the final disbursement date.
